§ 3261.21

road construction. Do not begin construction until we approve your sundry notice.

§ 3261.16 Can my operations plan, drilling permit and drilling program apply to more than one well?

Your operations plan and drilling program can sometimes be combined to cover several wells, but your drilling permit cannot. To combine your operations plan, give us adequate information for all well sites, and we will combine your plan to cover those well sites that are in areas of similar geology and environment. Your drilling program may also apply to more than one well, provided you will drill the wells in the same manner, and you expect to encounter similar geologic and reservoir conditions. You must submit a separate geothermal drilling permit application for each well.

§ 3261.17 How do I amend my operations plan or drilling permit?

If BLM has not yet approved your operations plan or drilling permit, send us your amended plan and complete and signed permit application. To amend an approved operations plan or drilling permit, submit a complete and signed sundry notice describing your proposed change. Do not start any amended operations until we have approved your drilling permit or sundry notice.

§ 3261.18 Do I need a bond before I build a well pad or drill a well?

Yes, before starting any operation, you must:

(a) Send us either a surety or personal bond in the following minimum amount:

- (1) \$10,000 for a single lease;
- (2) \$50,000 for all of your operations within a state; or
- (3) \$150,000 for all of your operations nationwide.

(b) Get our approval of your surety or personal bond; and

(c) To cover any drilling operations on all leases committed a unit, either submit a bond for that unit in an amount we specify, or provide a rider to a statewide or nationwide bond which specifically covers the unit in an amount we specify.

(d) See subparts 3214 and 3215 for additional details on bonding procedures.

§ 3261.19 When will BLM release my bond?

We will release your bond after you request it and we determine that you have:

- (a) Plugged and abandoned all wells;
- (b) Reclaimed the surface and other resources; and
- (c) Met all the requirements of 43 CFR 3200.4.

§ 3261.20 How will BLM review my application documents and notify me of their decision?

(a) When we receive your operations plan, we will make sure it is complete and review it for compliance with the requirements of 43 CFR 3200.4.

(b) If another Federal agency manages the surface of your lease, we will consult with them before we approve your drilling permit.

(c) We will review your drilling permit and drilling program or your sundry notice for well pad construction, to make sure they conform with your operations plan and any mitigation measures we developed while reviewing your plan.

(d) We will check your drilling permit and drilling program for technical adequacy and we may require additional procedures.

(e) We will check your drilling permit for compliance with the requirements of 43 CFR 3200.4.

(f) If we need any further information to complete our review, we will contact you in writing and suspend our review until we receive the information.

(g) After our review, we will notify you whether your permit has been approved or denied, as well as any conditions we require for conducting operations.

§ 3261.21 How do I get approval to change an approved drilling operation?

(a) Send us a sundry notice, form 3260-3, describing the proposed changes. Do not proceed with the changes until we have approved them in writing, except as provided in paragraph (c) of
